Colleges,

In our December Newsletter we mentioned that an additional workshop with an overview, training, and where to find additional information, for employees would be provided on December 18, 2020, at 10:00 AM. Below is the access information. Just in case you can't make it, the event will be recorded and placed on our HR Website.

This training will be employee centric. Carri O'Melia will be conducting training for Chairs and Supervisors .

As always if you have any questions please feel free to reach out to me.
