# Engage with Our Community!

Community Engagement is a campus-wide initiative that offers employees opportunities to share their expertise and time. Through volunteering, staff and faculty can connect with the community in various meaningful ways.

## Become a UWL Community Engagement Ambassador

- Share your passion for UWL and connect with the Greater La Crosse Area community. As an ambassador, you'll help represent the university at events both on and off campus.

**Sign up  
today!**

## Find Volunteer Opportunities at UGetConnected

- Explore a variety of volunteer options that match your interests and schedule. UGetConnected provides a platform to discover meaningful community service.

**Start  
volunteering!**

**Get involved and give back to help strengthen our community!**

# Engage Your Students with the Community!

Inspire Learning Beyond the Classroom

## Community Engaged Learning Program

- Integrate academically based community-engaged opportunities into your curriculum to help enhance a student's learning experience. Instructors are invited to apply for a designation on their course section(s).

**Learn more about how to  
apply for a designation!**

## UWL Community Idea Exchange

- Find businesses, non-profits and civic organizations interested in collaborating on classroom projects that address local needs.

**Visit the UWL Community Idea  
Exchange to find project ideas!**

## Find Volunteer Opportunities at UGetConnected

- Help your students find valuable service-learning experiences that complement their studies.

**Start  
volunteering!**

## Find Internship Opportunities on Handshake

- Encourage students to gain practical experience through internships. Handshake connects students with employers looking for talent.

**Guide your students  
to explore Handshake!**
