## One Day for UWL

For every \$1 donation to IEE an  
anonymous donor has pledged  
to give \$2 up to \$1,000.

For 24 hours starting noon October 18th-October 19th  
One Day for UWL provides students, friends, families  
and alumni the chance to work as a collective group,  
in a short amount of time, to give back to campus  
and the areas they care about most.

## Recruiting Now!

UWL International Alumni are our  
best recruiters!

Our great alumni play an important role with our  
prospective and admitted students in their country  
by guiding what to expect from the campus culture,  
helping students get answers to their questions  
quickly, and addressing students' concerns about  
moving to — and living in — the United States.

## Soar Like an Eagle

Take an aerial tour of  
campus to relive walking to  
class and see how things  
have been changing and  
growing here!
