# WHAT IS INTERNATIONALIZATION? WHY IS IT IMPORTANT?

 a strategic, coordinated process that seeks to align and integrate policies, programs, and initiatives to position colleges and universities as more globally oriented and internationally connected institutions. (http://www.acenet.edu/news-room/Pages/CIGE-Model-for-Comprehensive-Internationalization.aspx)

### It's important because:

Student mobility, research practices, institutional collaborations, student learning, and more, are all touched by the interconnected and interdependent nature of our world. (Deardoff, 2019, p. 1)
