# UWL Scholarship Resource Center

**We can help you Succeed!**

**Find Scholarships that match your personal achievements  
& unique personality**

**Our goal is to inspire students to invest in time applying for scholarships and to equip them with the tools and resources required to be successful by helping them:**

- **Locate and apply for scholarships**
- **Write and edit application essays**
- **Identify their Strengths**
- **Develop resumes and create supporting materials**

## **Our Mission**

UW-La Crosse's Scholarship Resource Center (SRC) encourages students to focus on alternative funding options that match their personal achievements and unique personalities. The SRC is committed to helping students locate scholarships that fit their unique qualifications, educate them on the importance of submitting high-quality applications, and ultimately, see them further their education by receiving scholarships to fund that education.

## **Our Services**

- **Scholarship Search**
  - **Outside Scholarship Database**
    - External organizations are a significant source of scholarship opportunities for students. This database includes local, state, and national scholarships from individuals, companies, and organizations. To successfully tap the money available you must conduct your own search to identify potential funds suited to your career, background, and other individual criteria
  - **Get Scholarific! Survey**
    - Do you want more scholarships that are specific to you? Get Scholarific! is a survey that allows mentors at SRC to search our database and other resources for scholarships that are specific to your unique talents, achievements, and life experiences. Complete our survey and we will send an email to your UWL email with a list of scholarships that you are eligible for.
- **One-on-One Appointments**
  - Work with one of our peer mentors to find scholarships and work on your application materials. We won't do the work for you but we will definitely make sure you are on the right track to an award-winning application and essay! These appointments can be in person in our office, or virtual via Zoom.

UNIVERSITY of WISCONSIN  
**LA CROSSE™**
