TOO MUCH DEBT?

- Making minimum payments
- Reaching your credit limit or coming close to it
- Unaware of the amounts owed
- Using cash advance to pay bills
- Denied credit or credit purchase
- Calls from collection agencies
- Lying about spending
- Most or all income going towards debt

Paying down your debt

- Pay lowest balance or highest interest rate accounts first
- Pay as large a payment as you can, making sure it is more than the minimum due
- Once a debt is paid off, continue paying off other debts
- Once all debts are paid off, send payments to savings

TransUnion
Equifax
Experian
for free once each year at annualcreditreport.com

What is your credit score?

<table>
<thead>
<tr>
<th>Score Range</th>
<th>Credit Rating</th>
</tr>
</thead>
<tbody>
<tr>
<td>730+</td>
<td>excellent credit</td>
</tr>
<tr>
<td>700-729</td>
<td>good/above average</td>
</tr>
<tr>
<td>670-699</td>
<td>good credit</td>
</tr>
<tr>
<td>585-669</td>
<td>fair credit</td>
</tr>
<tr>
<td>584 or below</td>
<td>poor credit</td>
</tr>
</tbody>
</table>

CREDIT SCORE

Things that impact your credit score:

□ PAYMENT HISTORY
- Making payments on time

□ AMOUNTS OWED
- Amount of credit limit being used

□ NEW CREDIT INQUIRES
- When people look up your credit history

□ LENGTH OF CREDIT HISTORY
- How long you’ve had the line of credit

□ TYPES OF CREDIT USED
- Installment (Auto Loan)
- Revolving Credit (Credit Card)
- Mortgage (Home Loan)

BUILDING CREDIT

- Get a secured line of credit
- Pay your bills on time
- Limit the number of lines of credit
- Keep balances low
- Be selective about what you apply for
- Have a mix of credit (credit cards, auto loans, mortgage, etc.)

Who cares about your credit scores?
- Financial Institutions distribute interest rates based on credit score
- Employers
- Landlords
- Utilities - Cell phones, electricity, etc.
- Insurance companies
