UNIVERSITY of WISCONSIN
LA CROSSE

The University of Wisconsin - La Crosse is committed to equal opportunity in its educational programs, activities and employment policies for all persons regardless of race, color, gender, creed, religion, age, ancestry, national origin, disability, sexual orientation, political affiliation, marital or parental status.
how it works
Through a combination of tutoring, enrichment, and communication, our Mentoring and Readiness for College (MARC) program is designed to inspire students to attend college and become active members in their community, while taking a proactive role in their life choices.

Part of our success is due to our low tutor to student ratio, while other strengths of this program reside outside the classroom. Beyond academics, this mentorship also exposes students to a number of opportunities, organizations within the community, and events on local campuses. We also strive to meet the academic needs of our students by communicating and collaborating with parents, teachers, and school administrators.

purpose
Sponsored by the Office of Multicultural Student Services at the University of Wisconsin-La Crosse, The Pre-College programs provide academic year tutoring and enrichment, a summer reading component, summer camp opportunities and ongoing mentoring for multicultural students in the La Crosse and surrounding communities.

The purpose is to assist youth in specific academic subjects to help youth develop more effective study skills and to provide enrichment and recreational activities.

College students and local professionals will promote understanding, self-awareness, cultural awareness, and appreciation among participating youth. Our college student staff members, volunteers, and adult professionals are from various backgrounds and include positive role models who have the future of our youth as their highest priority.

shared vision
Respect is the shared vision that informs all pre-college programs offered by the UWL Office of Multicultural Student Services.

It is through respect for the wisdom and truth of all people and traditions, and through an understanding of current academic knowledge, that we can encourage our youth to forge a hopeful and peaceful tomorrow. To fulfill this promise requires integrity, intensity, and real commitment to education, self-discipline, and respect for self, others and the sanctity of all life.

No excuses, no fears, no confusion, no setbacks should cloud this vision for the future of our children and grandchildren.
