- Classes which meet 4 or 5 days a week such as MTWTH or MTWTHF will use the MWF examination time. MW or WF "X" classes will also use the MWF examination time, except for classes starting at 5:30pm or later. One-day-a-week, non-evening classes will follow the MWF examination time or the TTH examination time, based on the normal day of the week the class meets.
- Evening classes are considered classes starting at 5:30pm or later.
- No student will be required to take more than three final exams on the same day. If a night class is not involved, instructors of the fourth and subsequent exams on that day will be obliged to reschedule that student's exam if the Records and Registration Office certifies that such an overload exists. If a night class is involved, the night class and the student's first two exams of the day will remain as scheduled and the other instructors will be obliged to reschedule their exams for that student.
- Any instructor-initiated changes must be approved by the Department Chair and the Dean of the School/College and will only be granted under extraordinary circumstances. Instructors may send requests to change an examination time via email to the chair of their department. If the department chair approves of the request, the chair will then forward the request to the dean.
- More information can be found in the official [Undergraduate Final Exam Policy](#) and [Graduate Final Exam Policy](#).
