### **V. Old Business**

#### **A. Course modality update**

*Leanne Vigue Miranda shared update on UCC committee request for 2 questions regarding course instruction modality – primary modality and other modalities – and that discussions are ongoing. GCC members stated instruction modes are not part of their review process. However GCC realizes UCC may want it for a pedagogical reasons; therefore, they feel the UCC and GCC process should be the same and do not have a preference if the modality question stays on the CIM form.*
