   1. GEO 395- new course; title “Geospatial Applications of Unmanned Aerial Systems;” 3 credits; effective Spring 2018.
   2. GEO 465- new course; title “Scripting in GIS;” slash course; 3 credits; effective Spring 2018.

D. Information Systems
   1. Health Information Management and Technology Major- program revision; admission change; effective Summer 2018.
   2. IS 220- course revision; prerequisite change; effective Summer 2018.
   3. IS 300- course revision; title change; description change; prerequisite change; effective Summer 2018.
   4. IS 320- course revision; title change; description change; effective Summer 2018.
   5. IS 411- course revision; title change; description change; effective Summer 2018.

E. Anthropology/Archaeology
   1. ANT 195- course revision; prerequisite deletion; effective Spring 2018.
   2. ANT 215- course revision; prerequisite deletion; effective Spring 2018.
   3. ANT 304- course revision; prerequisite change; cross-listed with ARC 304; effective Spring 2018.
   4. ANT 320- course revision; prerequisite change; effective Spring 2018.
   5. ANT 321- course revision; prerequisite change; effective Spring 2018.
   6. ANT 351- course revision; prerequisite change; effective Spring 2018.
   7. ANT 395- new course; title “Graduate Preparation Seminar;” 1 credit; cross-list with existing ARC 395; effective Spring 2018.
   8. ANT 401- course revision; prerequisite change; effective Spring 2018.
   9. ARC 101- course revision; description change; effective Spring 2018.
   10. ARC 303- course revision; prerequisite change; effective Spring 2018.
   11. ARC 304- course revision; prerequisite change; cross-listed with ANT 304 effective Spring 2018.
   12. ARC 310- course revision; prerequisite change; effective Spring 2018.
   13. ARC 345- new course; title “Zooarchaeology;” 3 credits; effective Spring 2018.
   14. ARC 395- course revision; cross-listing with new ANT 395; prerequisite change; effective Spring 2018.
   15. ARC 404- course revision; prerequisite deletion; effective Spring 2018.
   16. ARC 445- course revision; prerequisite change; effective Spring 2018.

F. History
   1. History Major with Topical Emphasis- program revision; topical emphasis course changes; no change to credits; effective Summer 2018.
   2. HIS 370- course revision; prerequisite change; cross-listed with WGS 370; effective Summer 2018.
G. Women’s Gender and Sexuality Studies (see attachment A for changes summary)

1. Women’s Studies Major- program revision; course changes; no credit change; effective Summer 2018.
2. WGS 300- course revision; prerequisite change; effective Summer 2018.
3. WGS 303- course revision; prerequisite change; effective Summer 2018.
4. WGS 308- course revision; prerequisite change; effective Summer 2018.
5. WGS 316- course revision; prerequisite change; cross-listed with SOC 316; effective Summer 2018.
6. WGS 320- course revision; prerequisite change; effective Summer 2018.
7. WGS 321- course revision; prerequisite change; effective Summer 2018.
8. WGS 322- course revision; prerequisite change; effective Summer 2018.
9. WGS 330- course revision; prerequisite change; effective Summer 2018.
10. WGS 333- course revision; prerequisite change; effective Summer 2018.
11. WGS 337- course revision; prerequisite change; cross-listed with SOC 337; effective Summer 2018.
12. WGS 340- course revision; course description; prerequisite change; effective Summer 2018.
13. WGS 370- course revision; prerequisite change; cross-listed with HIS 370; effective Summer 2018.
14. WGS 373- course revision; prerequisite change; effective Summer 2018.
15. WGS 374- course revision; prerequisite change; effective Summer 2018.
16. WGS 375- course revision; prerequisite change; cross-listed with SOC 375; effective Summer 2018.
17. WGS 450- course revision; prerequisite change; credit change to 1-9; effective Summer 2018.
18. WGS 499- course revision; prerequisite change; effective Summer 2018.

H. Sociology

1. SOC 316- course revision; prerequisite change; cross-listed with WGS 316; effective Summer 2018.
2. SOC 337- course revision; prerequisite change; cross-listed with WGS 337; effective Summer 2018.
3. SOC 375- course revision; prerequisite change; cross-listed with WGS 375; effective Summer 2018.

IV. Consent Items: none

V. Informational Items

A. Dual Degree Program in Physics and Engineering- Addition of new dual-degree partner institution UW-Stout.

B. CS 555- GCC added additional language to difference between undergraduate and graduate experience.

C. Global Cultures and Languages- independent study courses FRE, GER, SPA 498’s & 499’s are removing slash designation. Grad level courses were deleted.
VI. Old Business: none

VII. New Business: none

VIII. Future Business: none
