A. **Therapeutic Recreation Major** – A modification to the CIM program proposal approved at the 4/12/16 UCC meeting is being requested by Nancy Richeson and Guy Herling via 9/15/16 email. The approved program reduced credits and clarified admission requirements. The changes were intended to be "retro to all catalogs" in order to benefit all students. However, the proposal approved made changes effective to "new catalog" only. If UCC has no objections, Records will make the necessary updates to the CIM program form.
The information item was reviewed.
