Mo McAlpine

This scholarship was renamed in 2022 to honor Mo McAlpine's 32 years of service to Rec Sports. Mo was the heart and soul of this department. For 32 years, she created a culture of leading from the heart, with an eagle-eyed focus on student support and development. She made a positive impact on the lives of hundreds, if not thousands, of students over the years, caring for them as if they were her own children. Countless professional staff here and around the country can call her their friend and mentor. Her passion, positive energy and wisdom was unmatched. The culture she helped create will undoubtedly leave a positive impact on the department for years to come.
