The Milwaukee Chapter 41 of the Accounting & Financial Women's Alliance grants up to two scholarships each year to women students who are majoring in Accounting or Finance and attending a Wisconsin school.

One scholarship for **\$750** will be awarded to a woman in a two-year program who will be entering or already in her second year in the coming spring semester. This is payable in one installment at the beginning of the Spring semester. The application deadline for this 2-year scholarship is March 15, 2017 and will be paid by January of the following year. The successful candidate will be notified no later than April 15, 2017.

Another scholarship for **\$1,500** will be awarded to a woman in a four-year program who will be entering her undergraduate senior year in the next Fall semester, not the current one. In other words, current Juniors should make application for next year. This scholarship is payable in two installments: Fall of next year & the following Spring. The application deadline for this 4-year scholarship is March 15, 2017. The successful candidate will be notified in April 2017.

Applicants for both scholarships are judged on grades, extracurricular activities, life experience and an essay. Upon selection, payment is contingent upon the recipient providing proof of enrollment for the upcoming semester, academic level at that time from the previous semester and maintaining personal conduct at the school she attends. Only the award recipient need supply this corroborating documentation. An application is all that is needed at this time.

The scholarship recipients will be expected to attend one of our monthly meetings held at the Radisson Hotel Milwaukee West as our guest. No notice will be sent to the remaining applicants.

Only fully completed and signed applications will be considered. Applications can be downloaded on our website at www.milwaukeeafwa.org and submitted to the Scholarship Chair.
