

# How to use filters in the SRC:

## Outside Scholarship Database

1. Click on the link on the SRC website!

2. That will bring you to the Airtable website with all of our scholarships in an organized database for you to use!

4. **Click "Add Filter"**

5. **Click where it says "Name"**

This is will open a drop down menu with all of the filters we have on our database

6. **Start by filtering using your year in school!**

The filters for this are:  
Prospective (High School)  
Freshman  
Sophomore  
Junior  
Senior  
Graduate

## 7. Click the box to select it.

This makes it so it only shows scholarships that your year in school can apply for.

## 8.

You'll want to add another filter, so click "Add Filter" again

## 9.

Click "Name" again to bring up the drop down menu. Scroll down to look at all the other filters that we have. To find ones that match your major, choose "Major"

## 10.

Click "Select an option" and scroll to find your major and click on it. They are organized by colleges.

2 filters    Grouped by 1 field    Sort    ...

Where freshman is

And Major has any of CBA-Finance

+ Add filter

**11.** Here is what it will look like after you add those filters. We suggest only using 2 filters, otherwise it will be too specific to find any scholarships.
