2016 Annual Security Report

Clery Act Compliance Statement

The Annual Security Report (ASR) is compiled in compliance with the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*, which was enacted by the United States Congress and signed into law by President George Bush in 1990. The purpose of this report is to relay pertinent Clery crime data to the campus community and its' constituents. Each fall semester, the Vice Chancellor for Student Affairs and Dean of Students sends the ASR via email to the campus community, including all students and staff. The ASR can be found at the following web address: <https://www.uwlax.edu/Student-Life/Annual-Security-Report/>. You may request a hard copy of the ASR during normal business hours (7:45 a.m. to 4:30 p.m.) by visiting the Student Life Office in 149 Graff Main Hall at 1725 State Street, La Crosse, WI 54601.

Information for this report is gathered by the Student Life Office through cooperation from the University of Wisconsin-La Crosse (UW-L) Police Department (UW-LPD), the City of La Crosse Police Department, the UW-L Office of Residence Life, and the UW-L Student Life Violence Prevention Officer. The Student Life Office compiles data obtained from police reports produced by University Police, incident reports generated from Residence Life and Student Life, and reporting data from the Violence Prevention Officer. In order to provide the most accurate statistics, it is requested that victims of and witnesses to Clery Law crimes and violations report them to personnel of the units/agencies above. All personal information will remain confidential for this report. Clery Law violations are defined as the following:

- Murder & Non-negligent manslaughter
- Negligent Manslaughter
- Forcible Sex Offenses
- Non-forcible Sex Offenses
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arson
- Weapons Law Violations
- Drug Law Violations
- Liquor Law Violations

For more information on the Clery Act, please see the U.S. Department of Education's Handbook for Campus Safety and Security Reporting at: <https://www2.ed.gov/admins/lead/safety/handbook.pdf>

The University's Public Safety Departments

The UW-LPD is responsible for providing police and security services to the UW La-Crosse campus. UW-LPD is a safety and security unit organized with the Police Services Department under the Office of Finance and Administration and the Chief of Police reports directly to the Vice Chancellor of that office. There are more than eleven full time uniformed police personnel, two part time police officers, two uniformed security personnel, and three civilian employees at the UW-LPD. The UW-LPD patrols campus by foot, bicycle, and vehicle. The Department officers enforce state, and local statutes in the form of University Regulations. As noted earlier Police Officers are on duty 24 hours a day, seven days a week, 365 days a year.

Training

The UW-LPD is staffed 24 hours a day, 365 days a year. Before employment, all police officers must meet the State of Wisconsin's minimum requirements of training to be certified as a police officer. Upon being hired, all officers must complete a field-training program. Once this is completed all officers must complete yearly training that includes a variety of subjects including criminal law, civil law, public relations, race relations, interpersonal communication, crisis intervention, critical incident response, and all facets of protection of persons and property. Training includes guest lecturers, outside instructors, and department instructors. Training is conducted at various times throughout the year as special sessions, during an officer's shift and also conducted during daily roll call sessions. This training usually includes updates on existing problems, new court decisions impacting the University environment, and other timely topics. In addition, all UW-LPD police and security personnel are certified in standard first aid, oxygen, AED and CPR.

Working Relationships with Other Law Enforcement Agencies

The UW-L PD maintains a close working relationship with the City of La Crosse Police (LCPD). In addition UW-L PD occasionally works with other law enforcement agencies in the area to include the WI Highway Patrol, State Department of Criminal Investigation, the La Crosse County Sheriff's office, and other police departments in the immediate area. Meetings are held between the leaders of these agencies on both a formal and informal basis. The officers of LCPD and UW-L PD communicate regularly on the scene of incidents that occur in and around the campus area. Police Investigators work closely with the investigative staff at LCPD when incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information. There is no written Memorandum of Understanding between UW-LPD and LCPD.

Reporting Procedures

Reports of criminal actions or other emergencies occurring on the campus of UW-La Crosse shall be made to the University Police Department (East Avenue and Farwell Streets, Non-Emergency 789-9000, Emergency 789-9999). Office hours are 8:00 a.m. to 4:30 p.m., Monday through Friday. The central switchboard dispatcher has radio contact with campus police officers that are on duty 24 hours per day, seven days per week. In accordance with §36.11(2), Wisconsin Statutes, UW-La Crosse is staffed by police officers that meet the standards of the Wisconsin Law Enforcement Standards Board. They have the power to arrest and bring before the proper courts those persons who violate the law on university property. The university's police officers cooperate with local police authorities in the exercise of their responsibilities. It is the policy of this university to encourage accurate and prompt reporting of all crimes. The officers respond in accordance with established law enforcement procedures. University Police calls will be published in the campus newspaper and on the University Police website. Incidents that may pose an immediate threat to the campus community will be posted via the University e-mail system and may be considered for timely warning.

Access to Facilities at UW-La Crosse

General access and use of the facilities of UW-La Crosse is governed by [Chapter UWS 21](#), Wisconsin Administrative Code and Institutional Policies, on file in the office of the Vice Chancellor for Business Services. Security is provided in the maintenance of the university's facilities through a number of mechanisms, which includes limited hours of operation, enforced policies on key allocation, restricted access to those bearing proper identification as university staff or students, adequate lighting, and telephone call boxes for emergency assistance. Specific security procedures may vary with the type of university facilities.

The UW-L campus is open to the public, with the exceptions of specific facilities that are fenced off for site protection or crowd control. All persons entering UW-L property are required to abide by UW Regulations and policies during their stay. Academic and Residence Hall buildings have fluctuating schedules throughout the year. Information on hours can be found posted on many of the buildings or at the UW-L website at www.uwlax.edu. Residence Halls are restricted to it's residents, approved guests (see their policy at <https://www.uwlax.edu/globalassets/offices-services/reslife/documents/orl-policies-and-procedures.pdf>), and other approved members of the campus community.

Security of and Access to Residence Halls

Front Desk

Service desks are located in the front lobby of each Residence Hall. They are open 9am-midnight, Sunday through Wednesday and 9am-3am, Thursday through Saturday.

Vacations

The Residence Halls are closed during Thanksgiving, winter semester, and spring breaks. If you decide to stay in La Crosse during one of the breaks, it is your responsibility to locate a place to stay. Limited on campus accommodations may be available and will involve an additional charge. Residents are asked to inform Residence Life Staff if they will stay over the break periods. Residents must follow all

closing directions posted in their Residence Halls. Once the Residence Halls have officially closed, unless prior arrangements have been made with your Hall Director, you will not be allowed to reenter until the Residence Hall has officially reopened. Reuter and Eagle Halls are open for all breaks during the academic year (Thanksgiving, winter, and spring break). Before leaving for vacation, you are to turn off all lights, securely close windows, unplug all appliances, empty all your garbage and recyclables, clean out your refrigerator, and leave the refrigerator door open. Residence Life staff will enter your room after you have departed to assure that the building is secure. Policy violations will be documented. During the break periods, signage is posted on every exterior door indicating that the hall is closed and entry is prohibited.

Room Entry by Staff

In case of an emergency, University officials reserve the right to enter and inspect Residence Hall rooms at any time. Inspections will occur when necessary to protect and maintain the property of the University, the health and safety of its students, or whenever necessary to aid in the basic responsibility of the University regarding discipline and maintenance of an educational atmosphere. In such cases, effort will be made to notify the resident(s) in advance and to have the resident(s) present at the time of entry. In addition, Reuter Hall completes monthly suite inspections to visually inspect the fire alarm system and fire extinguisher to ensure cleanliness is being maintained. Residents are informed when staff will visit their suite. At least one resident needs to be home when staff visit to complete the inspection, however if a resident would like to be present during their inspection, they can request this. On a publicized and regular schedule, housekeepers clean the bathrooms in Eagle and Reuter Halls.

Residence Hall Access and Security

Access to the residence halls is via the student's ID card. Front doors are unlocked from 9am-10pm, 7 days a week when classes are in session. For the safety of all students, side and back doors are locked at all times. Card access to back doors is 7 am on weekdays and 9 am on weekends. During all other times, residents have access to their Residence Hall via their University identification card. It is the policy of

UW-La Crosse that students and their visitors carry proper, legal identification at all times. It is very important to contact the TowerCard Office (608-785-8891) immediately if you lose your student Identification card.

Students are responsible for the security of their rooms. It is expected that students lock their rooms when they are sleeping or not present. The University does not assume responsibility for individual student property. Students who experience damage or theft of their personal property should report that damage to Residence Hall staff and University Police. Students are encouraged to check into their parent or guardians' homeowners insurance to see if their belongings are covered. Students may also seek renters insurance to cover any potential damage or theft of property.

Keys

You are responsible for your key and should carry it with you at all times. For security reasons, a lost key should be reported immediately to the Hall Director or Assistant Hall Director. You will be charged for the replacement of a lost key and for recoring of the lock. At no time should your key be given to someone else. Keep your room door locked at all times. If you get locked out of your room, Residence Hall staff will assist you as time permits but may not be immediately available. If you need to be let into your room, you will be assessed a \$1 fee to be paid to the staff member. This money will be donated to charity. Ongoing need for staff key-in assistance may result in disciplinary action.

Safety Phones

There are outside safety phones on campus at the main entrance of each Residence Hall and other campus locations. Safety phones are identified with blue lights and ring directly to University Police.

Student Staff Duty

Every evening from 9 p.m. to 7 a.m., a student staff member is on duty. Duty rounds are made periodically throughout the evening with last rounds being completed at the time the hall desk closes. All doors are checked to make sure they are locked and

secured. Student staff duty contact information is posted at the front desk. All staff carry a duty phone.

Visitation and Overnight Guest Policy in Residence Halls

This policy establishes guidelines that protect the right of each resident to choose when a guest is permitted in their room. Residence hall students may have guests in their rooms. A guest is defined as any person who is not assigned by the Office of Residence Life to live in the room even if that person lives on campus. Roommate approval is required before any visitation can occur. At all times residents and their guests are expected to be sensitive to the needs and wishes of their roommate(s) and other members of the floor community. An agreement must be reached which balances the right to privacy for sleep and study and the privilege of having guests/visitors. In cases where roommates cannot agree, the right of the person not to have overnight guests in the room will take precedence over the privilege of hosting an overnight visitor. The hosting of overnight guests and the terms under which this occurs must be mutually agreed upon by all roommates and in accordance with the guidelines established with regard to overnight guests.

Overnight visitation is prohibited until after the first Friday of classes have started in the fall semester. Limited visitation (until 2 AM) is in effect until that date.

Overnight guests will not be permitted until the roommate agreement form has been completed and turned in to the resident assistant. These agreement forms will be kept on file in the hall director's office and may be re-negotiated whenever one roommate deems it necessary.

Residents are responsible for the behavior of their guests and are responsible for informing their visitor/guest(s) of all residence hall policies. Failure of any guest to adhere to our policies will result in disciplinary action including possible immediate removal from the hall. Each room may host a maximum of two overnight guests per night. An overnight guest may stay a maximum of **two nights** in any hall within a seven-day period. All visitors/guests must carry a valid picture I.D.

Maintenance of Campus Facilities

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. UW-L PD regularly patrols the campus and reports malfunctioning lights and other unsafe physical conditions to Facilities Management for correction. This includes annual assessments of lighting and safety in conjunction with student governance and personnel from facilities and landscaping. Members of the University community are helpful when they report equipment problems to UW-L-PD or Facilities Management.

Violence Prevention

Since January 2007, UWL has had a Violence Prevention Specialist (VPS). This position was initially funded by a grant from the Office on Violence Against Women, but has since been fully funded by the University. The goal of the grant was to change the campus culture regarding violence against women. The VPS offers advocacy and support to students, faculty and staff affected by sexual assault, relationship violence, or stalking. The VPS works closely with other campus and community service providers, including the Office of Student Life, Counseling and Testing, campus and community law enforcement agencies, and campus and community health services, to insure that the needs of each victim are met.

All new incoming UWL students are required to take Campus Clarity's online course "Think About It". The course covers sexual assault and harassment, relationship violence, stalking, alcohol use, and bystander intervention. Students are e-mailed the course link in mid-summer, with the expectation that they will have completed the course by the time they arrive on campus.

Assisted by student volunteers, the Violence Prevention Specialist follows up on the "Think About It" course with a presentation to all incoming freshmen at New Student Orientation in September. The scope of the presentation includes statutorily required information, as well as warning signs of relationship violence and stalking, and online safety. The content of this presentation is mandated by Wisconsin State Statute 36.11(22):

1. Incorporate in its orientation program for newly entering students oral and written or electronic information on sexual assault and sexual harassment, as defined in s.

III.32 (13), including information on sexual assault by acquaintances of the victims and on all of the following:

- a. The legal definitions of, and penalties for, sexual assault under ss. 940.225, 948.02 and 948.025, sexual exploitation by a therapist under s. 940.22 and harassment under s. 947.013.
- b. Generally available national and state statistics, and campus statistics as compiled under par. (c) and as reported under par. (d), on sexual assaults and on sexual assaults by acquaintances of the victims.
- c. The rights of victims under Ch. 950 and the services available at the institution or college campus and in the community to assist a student who is the victim of sexual assault or sexual harassment.
- d. Protective behaviors, including methods of recognizing and avoiding sexual assault and sexual harassment and locations in the community where courses on protective behaviors are provided.

2. Annually supply to all students enrolled in the institution or college campus printed or electronic material that includes all of the information under par. (a).

Attendance at the presentation is mandatory. A separate orientation presentation is given each semester for new incoming International Students.

Additional prevention education and/or Awareness events this year included:

- Classroom Presentations: 29
- Additional Presentations: 16 (Hall Director and R.A. Trainings; Freshman Registration and International Student Orientations; Campus Climate Brown Bag Lunch Presentation; Residence Hall Programs; training for local law enforcement officers).

Sexual Assault

Sexual Assault Wisconsin Statute §36.11(22) requires institutions in the UW-System to disclose the number of sexual assaults that were reported within the calendar year in the following categories: "On Campus," "In Residence Halls," "Public Property," and "Off Campus." The assaults were reported by students seeking services at various

University offices and were not necessarily reported to the police. For a complete description of educational programs to promote the awareness of rape, acquaintance rape, and other sex offenses, as well as disciplinary procedures for those incidents, refer to the Student Handbook on the Office of Student Life webpage:

<https://www.uwlax.edu/student-life/>.

The Violence Prevention Office (VPO) is a resource that is available to assist with advocacy, information, and support for sexual assault, relationship violence, and stalking, so that individuals can make informed choices about the options available to them in these situations. Services are free and confidential.

The Violence Prevention Office is located at 149 Graff Main Hall. Contact Ingrid Peterson by calling (609) 785-8062, or email at ipeterson@uwlax.edu. For more information visit: <http://www.uwlax.edu/violenceprevention/>.

UNIVERSITY DISCIPLINARY ACTION

If you have been sexually assaulted by another student or group of students and are considering whether to seek disciplinary action against the assailant(s), you are encouraged to discuss the matter with the Student Life Violence Prevention Specialist (608-785-8062); or with The Student Life Assistant Dean of Students (608-785-8062) who will explain the University's disciplinary process relating to sexual assault. This discussion does not obligate you to pursue official action. If you decide to take part in the University disciplinary process, you should contact The Student Life Assistant

Dean of Students. All charges are handled in accordance with the procedures relating to violations of the University of Wisconsin System's Code of Student Conduct under UWS 17 & UWS 18. Individuals accused of sexual assault may also be subject to certain interim measures pending the completion of the disciplinary process. Those students found responsible for violating the Code may be suspended or expelled. Pursuant to the University's disciplinary procedures, both the accuser and the accused are entitled to have an advisor or support person present during the hearing. Students who allege sexual assault by another student may request a change in their academic and living situations on campus after the alleged incident takes place if such changes are reasonably available. Finally, in accordance with federal regulations, both the accuser and the accused will be informed of the outcome of any campus disciplinary proceeding alleging sexual assault. For more details on the campus disciplinary procedure, please refer to Chapters 17 and 18 which are detailed below.

The University will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined Appendix A to Part 99 Title 34, United States Code of Federal Regulations), or non-forcible sex offense, the final results of a University disciplinary proceeding against a student who is the alleged perpetrator. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim will be treated as the alleged victim for the purpose of this policy.

If you have been sexually assaulted or harassed by a non-student UW-La Crosse employee, this is a violation of the law and University policy. Students should contact Nizam Arain, Director of Affirmative Action and Title IX Coordinator (608-785-8541) to discuss complaints.

Chapter UWS 17

Non-Academic Misconduct - Chapter UWS 17

Chapter UWS 17 is an administrative code adopted by the Board of Regents as a set of disciplinary procedures for the University System. These procedures describe the actions which the University may take in response to student misconduct; they define non-academic misconduct which is prohibited; and they outline procedures which are to be used in resolving allegations of misconduct. (Academic misconduct is covered in UWS 14).

UWS 17.01 Policy statement.

The missions of the University of Wisconsin System and its individual institutions can be realized only if the university's teaching, learning, research and service activities occur in living and learning environments that are safe and free from violence, harassment, fraud, theft, disruption and intimidation. In promoting such environments, the university has a responsibility to address student nonacademic misconduct; this responsibility is separate from and independent of any civil or criminal action resulting from a student's conduct. This chapter defines nonacademic misconduct, provides university procedures for effectively addressing misconduct, and offers educational responses to misconduct. The University of Wisconsin System is committed to respecting students' constitutional rights. Nothing in this chapter is intended to restrict students' constitutional rights, including rights of freedom of speech or to peaceably assemble with others.

UWS 17.02 Definitions. In this chapter:

- (1) "Chief administrative officer" means the chancellor of an institution or dean of a campus or their designees.
- (2) "Clear and convincing evidence" means information that would persuade a reasonable person to have a firm belief that a proposition is more likely true than not true. It is a higher standard of proof than "preponderance of the evidence."

- (2) One or more of the disciplinary sanctions listed in sub. (1) may be imposed for an incident of nonacademic misconduct.
- (3) Disciplinary sanctions shall not include the termination or revocation of student financial aid; however, this shall not be interpreted as precluding the individual operation of rules or standards governing eligibility for student financial aid under which the imposition of a disciplinary sanction could result in disqualification of a student for financial aid.

UWS 17.11 Disciplinary procedure.

- (1) **PROCESS.** The investigating officer may proceed in accordance with this section to impose, subject to hearing and appeal rights, one or more of the disciplinary sanctions listed in s. UWS 17.10 (1).

(2) **CONFERENCE WITH STUDENT.** When the investigating officer concludes that proceedings under this section are warranted, the investigating officer shall promptly contact the student in person, by telephone, or by electronic mail to offer to discuss the matter with the student. The purpose of this discussion is to permit the investigating officer to review with the student the basis for his or her belief that the student engaged in nonacademic misconduct, and to afford the student an opportunity to respond. If the student does not respond to the investigating officer's offer to discuss the matter, the investigating officer may proceed to make a determination on the basis of the available information.

(3) **DETERMINATION BY THE INVESTIGATING OFFICER THAT NO DISCIPLINARY SANCTION IS WARRANTED.** If, as a result of a discussion under sub. (2) or review of available information, the investigating officer determines that nonacademic misconduct did not in fact occur, or that no disciplinary sanction is warranted under the circumstances, the matter will be considered resolved without the necessity for further action.

(4) **PROCESS FOLLOWING DETERMINATION BY THE INVESTIGATING OFFICER THAT NONACADEMIC MISCONDUCT OCCURRED.**

(a) If, as a result of a discussion under sub. (2) or review of available information, the investigating officer determines that nonacademic misconduct did occur and that one or more of the disciplinary sanctions listed under s. UWS 17.10 (I) should be recommended, the investigating officer shall prepare a written report which shall contain all of the following:

1. A description of the alleged misconduct.
2. A description of all information available to the university regarding the alleged misconduct. Such information shall be available to the student upon request, except as may be precluded by applicable state or federal law.
3. Specification of the sanction sought.
4. Notice of the student's right to a hearing.
5. A copy of this chapter and of the institutional procedures adopted to implement this section.

(b) The written report shall be delivered to the student.

(c) A student who receives a written report under this section has the right to a hearing under s. UWS 17.12 to contest the determination that nonacademic misconduct occurred, the choice of disciplinary sanctions, or both.

1. Where the disciplinary sanction sought is one of those listed in s. UWS 17.10 (I) (a) to (g), and if the student desires a hearing, the student shall file a written request with the student affairs officer within 10 days of the date the written report is delivered to the student. If the student does not request a hearing within this period, the determination of nonacademic misconduct shall be regarded as final, and the disciplinary sanction sought shall be imposed.

2. Where the disciplinary sanction sought is one of those listed in s. UWS 17.10 (l) (h) to (j), the investigating officer shall forward a copy of the written report under par. (b) to the student affairs officer. The student affairs officer shall, upon receipt of the written report, proceed under s. UWS 17.12 to schedule a hearing on the matter. A hearing shall be conducted unless the student waives, in writing, the right to such a hearing.

UWS 17.12 Hearing.

(1) A student who requests a hearing, or for whom a hearing is scheduled under s. UWS 17.11 (4)(c) 2., shall have the right to decide whether the matter will be heard by a hearing examiner or a hearing committee.

(2) If a student requests a hearing under s. UWS 17.11 (4)(c) 1., or a hearing is required to be scheduled under s. UWS 17.11 (4) (c) 2., the student affairs officer shall take the necessary steps to convene the hearing and shall schedule it within 15 days of receipt of the request or written report. The hearing shall be conducted within 45 days of receipt of the request or written report, unless a different time period is mutually agreed upon by the student and investigating officer, or is ordered or permitted by the hearing examiner or committee.

(3) No less than 5 days in advance of the hearing, the hearing examiner or committee shall obtain from the investigating officer, in writing, a full explanation of the facts upon which the determination of misconduct was based, and shall provide the student with access to or copies of the investigating officer's explanation, together with any other materials provided to the hearing examiner or committee by the investigating officer, including any additional available information of the type described in s. UWS 17.11 (4)(a) 2.

(4) The hearing shall be conducted in accordance with the following guidance and requirements:

(b) The student shall have the right to question adverse witnesses, the right to present information and witnesses, the right to be heard on his or her own behalf, and the right to be accompanied by an advisor of the student's choice. The advisor may be a lawyer. In cases where the recommended disciplinary sanction is identified in s. UWS 17.10 (1) (a) to (h), the advisor may counsel the student, but may not directly question adverse witnesses, present information or witnesses, or speak on behalf of the student except at the discretion of the hearing examiner or committee. In cases where the recommended disciplinary sanction is identified in s. UWS 17.10 (1) (i) or (j), or where

the student has been charged with a crime in connection with the same conduct for which the disciplinary sanction is sought, the advisor may question adverse witnesses, present information and witnesses, and speak on behalf of the student. In accordance with the educational purposes of the hearing, the student is expected to respond on his or her own behalf to questions asked of him or her during the hearing.

(c) The hearing examiner or committee:

1. Shall admit information that has reasonable value in proving the facts, but may exclude immaterial, irrelevant, or unduly repetitious testimony.
2. Shall observe recognized legal privileges.
3. May take reasonable steps to maintain order, and to adopt procedures for the questioning of a witness appropriate to the circumstances of that witness's testimony, provided; however, whatever procedure is adopted, the student is allowed to effectively question the witness.

(d) The hearing examiner or committee shall make a record of the hearing. The record shall include a verbatim record of the testimony, which may be a sound recording, and a file of the exhibits offered at the hearing. The student charged with misconduct may access the record, upon the student's request.

(e) The hearing examiner or committee shall prepare written findings of fact and a written statement of its decision based upon the record of the hearing.

(f) A hearing examiner's or committee's finding of nonacademic misconduct shall be based on one of the following:

1. Clear and convincing evidence, when the sanction to be imposed is one of those listed in s. UWS 17.10 (I) (h) to (j).

(g) The hearing examiner or committee may impose one or more of the disciplinary sanctions listed in s. UWS 17.10 (I) (a) to (g) that differs from the recommendation of the investigating officer. Sanctions under s. UWS 17.10 (I) (h) to (j) may not be imposed unless previously recommended by the investigating officer.

(h) The hearing shall be conducted by the hearing examiner or committee, and the university's case against the student shall be presented by the investigating officer or his or her designee.

(i) The decision of the hearing examiner or committee shall be prepared within 14 days of the hearing, and delivered to the student. The decision shall become final within 14 days of the date on the written decision, unless an appeal is taken under s. UWS 17.13.

(j) If a party fails to appear at a scheduled hearing and to proceed, the hearing examiner or committee may either dismiss the case or, based upon the information provided, find that the student committed the misconduct alleged.

(k) Disciplinary hearings are subject to the Wisconsin open meetings law and may be closed if the student whose case is being heard requests a closed hearing or if the hearing examiner or committee determines that it is necessary to hold a closed hearing, as permitted under the Wisconsin open meetings law. Deliberations of the committee shall be held in closed session, in accordance with s. 19.85, Stats. As such, proper notice and other applicable rules shall be followed.

UWS 17.13 Appeal to the chancellor.

(1) Where the sanction prescribed by the hearing examiner or committee is one of those listed in s. UWS 17.10 (1) (h) to (j), the student may appeal to the chief administrative officer within 14 days of the date of the written decision to review the decision of the hearing examiner or committee, based upon the record. In such a case, the chief administrative officer has 30 days from receipt of the student's appeal to respond and shall sustain the decision of the nonacademic misconduct hearing examiner or committee unless the chief administrative officer finds any of the following:

- (a) The information in the record does not support the findings or decision of the hearing examiner or committee.
 - (b) Appropriate procedures were not followed by the nonacademic misconduct hearing examiner or committee and material prejudice to the student resulted.
 - (c) The decision was based on factors proscribed by state or federal law.
- (2) If the chancellor makes a finding under sub. (1), the chancellor may return the matter for consideration by a different hearing examiner or committee, or may invoke an appropriate remedy of his or her own.

UWS 17.14 Discretionary appeal to the board of regents.

UWS 17.15 Settlement.

The procedures set forth in this chapter allow the university and a student to enter into a settlement agreement regarding the alleged misconduct, after proper notice has been given. Any such agreement and its terms shall be in writing and signed by the student and the investigating officer or student affairs officer. The case is concluded when a copy of the signed agreement is delivered to the student.

UWS 17.16 Effect of discipline within the institution.

A student who, at the time of commencement, is subject to a continuing disciplinary sanction under s. UWS 17.10 (I) or unresolved disciplinary charges as a result of a report under s. UWS 17.11, shall not be awarded a degree during the pendency of the sanction or disciplinary proceeding.

UWS 17.17 Effect of suspension or expulsion within the university system.

- (1) Suspension or expulsion shall be systemwide in effect and shall be noted on an individual's transcript, with suspension noted only for the duration of the suspension period.

- (3) A student who is expelled from one institution in the University of Wisconsin System may not enroll in another institution in the system, except as provided in s. UWS 17.18.
- (4) A person who is in a state of suspension or expulsion from the university under this chapter, or who leaves or withdraws from the university while under nonacademic misconduct charges under this chapter, may not be present on any campus without the written consent of the chief administrative officer of that campus.
- (5) Upon completion of a suspension period, a student who is academically eligible may re-enroll in the institution which suspended him or her, provided all conditions from previous disciplinary sanctions have been met.

UWS 17.18 Petition for restoration of rights after suspension or expulsion.

A student who has been suspended may petition to have his or her student status, rights, and privileges restored before the suspension has expired by its own terms under s. UWS 17.17 (2). A student who has been expelled may petition for the right to apply for readmission. The petition shall be in writing and directed to the chief administrative officer of the institution from which the student was suspended or expelled or of a different University of Wisconsin institution to which the student seeks admission. The chief administrative officer shall make the readmission decision.

UWS 17.19 Emergency suspension.

- (1) The chief administrative officer may impose an emergency suspension on a student, pending final institutional action on a report of nonacademic misconduct, in accordance with the procedures of this section.
- (2) The chief administrative officer of each institution may impose an emergency suspension on a student when all of the following conditions are met:

- (a) The investigating officer has made a reasonable attempt to offer the student the opportunity for discussion, either in person or by telephone.
- (b) The investigating officer recommends a sanction of suspension or expulsion.
- (c) The chief administrative officer concludes, based on the available information, that the misconduct occurred and that the student's continued presence on campus meets one or more of the following conditions:
 - 1. Would constitute a potential for serious harm to the student.
 - 2. Would constitute a potential for serious harm to others.
 - 3. Would pose a threat of serious disruption of university-run or university-authorized activities.
 - 4. Would constitute a potential for serious damage to university facilities or property.
- (3) If the chief administrative officer determines that an emergency suspension is warranted under sub. (2), he or she shall promptly have written notification of the emergency suspension delivered to the student. The chief administrative officer's decision to impose an emergency suspension shall be effective immediately when delivered to the student and is final.
- (4) Where an emergency suspension is imposed, the hearing on the underlying allegations of misconduct shall be held, either on or outside of university lands, within 21 days of the imposition of the emergency suspension, unless the student agrees to a later date.
- (5) An emergency suspension imposed in accordance with this section shall be in effect until the decision in the hearing on the underlying charges pursuant to s. UWS 17.12 is rendered or the chief administrative officer rescinds the emergency suspension. In no case shall an emergency suspension remain in effect for longer than 30 days, unless the student agrees to a longer period.
- (6) If the chief administrative officer determines that none of the conditions specified in sub. (2) (c) are present, but that misconduct may have occurred, the case shall proceed in accordance with s. UWS 17.12.

Violence Against Women Act

The Violence Against Women Act (VAWA) amendments to the Clery Act expand the rights provided to victims and survivors of sexual assault, domestic violence, dating violence, and stalking. In addition to providing a host of resources for victims and survivors (including but not limited to Violence Prevention Officer, Counseling Center, Access Center, Student Health Center), provisions are made for adjudicating incidents of sexual assault, domestic violence, dating violence, and stalking in Chapter UWS 17 (i.e. Student Code of Conduct). Below is a detailed description of the disciplinary procedure, hearing process, and appeals process taken directly from Chapter 17.

UWS 17.11 Disciplinary procedure.

- (1) **PROCESS.** The investigating officer may proceed in accordance with this section to impose, subject to hearing and appeal rights, one or more of the disciplinary sanctions listed in s. UWS 17.10 (1).
- (2) **CONFERENCE WITH STUDENT.** When the investigating officer concludes that proceedings under this section are warranted, the investigating officer shall promptly contact the student in person, by telephone, or by electronic mail to offer to discuss the matter with the student. The purpose of this discussion is to permit the investigating officer to review with the student the basis for his or her belief that the student engaged in nonacademic misconduct, and to afford the student an opportunity to respond. If the student does not respond to the investigating officer's offer to discuss the matter, the investigating officer may proceed to make a determination on the basis of the available information.
- (3) **DETERMINATION BY THE INVESTIGATING OFFICER THAT NO DISCIPLINARY SANCTION IS WARRANTED.** If, as a result of a discussion under sub. (2) or review of available information, the investigating officer determines that nonacademic misconduct did not in fact occur, or that no disciplinary sanction is

warranted under the circumstances, the matter will be considered resolved without the necessity for further action.

(4) PROCESS FOLLOWING DETERMINATION BY THE INVESTIGATING OFFICER THAT NONACADEMIC MISCONDUCT OCCURRED.

(a) If, as a result of a discussion under sub. (2) or review of available information, the investigating officer determines that nonacademic misconduct did occur and that one or more of the disciplinary sanctions listed under s. 1. A description of the alleged misconduct.
2. A description of all information available to the university regarding the alleged misconduct. Such information shall be available to the student upon request, except as may be precluded by applicable state or federal law.
3. Specification of the sanction sought.
4. Notice of the student's right to a hearing.
5. A copy of this chapter and of the institutional procedures adopted to implement this section.

(b) The written report shall be delivered to the student.

(c) A student who receives a written report under this section has the right to a hearing under s. UWS 17.12 to contest the determination that nonacademic misconduct occurred, the choice of disciplinary sanctions, or both.

1. Where the disciplinary sanction sought is one of those listed in s. UWS 17.10 (I) (a) to (g), and if the student desires a hearing, the student shall file a written request with the student affairs officer within 10 days of the date the written report is delivered to the student. If the student does not request a hearing within this period, the determination of nonacademic misconduct shall be regarded as final, and the disciplinary sanction sought shall be imposed.

2. Where the disciplinary sanction sought is one of those listed in s. UWS 17.10 (I) (h) to (j), the investigating officer shall forward a copy of the written report under par. (b) to the student affairs officer. The student affairs officer shall, upon receipt of the written report, proceed under s. UWS 17.12 to schedule a hearing on the matter. A hearing shall be conducted unless the student waives, in writing, the right to such a hearing.

UWS 17.12 Hearing.

(1) A student who requests a hearing, or for whom a hearing is scheduled under s. UWS 17.11 (4)(c) 2., shall have the right to decide whether the matter will be heard by a hearing examiner or a hearing committee.

(2) If a student requests a hearing under s. UWS 17.11 (4)(c) 1., or a hearing is required to be scheduled under s. UWS 17.11 (4) (c) 2., the student affairs officer shall take the necessary steps to convene the hearing and shall schedule it within 15 days of receipt of the request or written report. The hearing shall be conducted within 45 days of receipt of the request or written report, unless a different time period is mutually agreed upon by the student and investigating officer, or is ordered or permitted by the hearing examiner or committee.

(3) No less than 5 days in advance of the hearing, the hearing examiner or committee shall obtain from the investigating officer, in writing, a full explanation of the facts upon which the determination of misconduct was based, and shall provide the student with access to or copies of the investigating officer's explanation, together with any other materials provided to the hearing examiner or committee by the investigating officer, including any additional available information of the type described in s. UWS 17.11 (4)(a) 2.

(4) The hearing shall be conducted in accordance with the following guidance and requirements:

(a) The hearing process shall further the educational purposes and reflect the university context of nonacademic misconduct proceedings. The process need not conform to state or federal rules of criminal or civil procedure, except as expressly provided in ch. UWS 17.

(b) The student shall have the right to question adverse witnesses, the right to present information and witnesses, the right to be heard on his or her own behalf, and the right to be accompanied by an advisor of the student's choice. The advisor may be a lawyer. In cases where the recommended disciplinary sanction is identified in s. UWS 17.10 (1) (a) to (h), the advisor may counsel the student, but may not directly question adverse witnesses, present information or witnesses, or speak on behalf of the student except at the discretion of the hearing examiner or committee. In cases where the recommended disciplinary sanction is identified in s. UWS 17.10 (1) (i) or (j), or where the student has been charged with a crime in connection with the same conduct for which the disciplinary sanction is sought, the advisor may question adverse witnesses, present information and witnesses, and speak on behalf of the student. In accordance with the educational purposes of the hearing, the student is expected to respond on his or her own behalf to questions asked of him or her during the hearing.

(c) The hearing examiner or committee:

1. Shall admit information that has reasonable value in proving the facts, but may exclude immaterial, irrelevant, or unduly repetitious testimony.
2. Shall observe recognized legal privileges.
3. May take reasonable steps to maintain order, and to adopt procedures for the questioning of a witness appropriate to the circumstances of that witness's testimony,

provided; however, whatever procedure is adopted, the student is allowed to effectively question the witness.

(d) The hearing examiner or committee shall make a record of the hearing. The record shall include a verbatim record of the testimony, which may be a sound recording, and a file of the exhibits offered at the hearing. The student charged with misconduct may access the record, upon the student's request.

(e) The hearing examiner or committee shall prepare written findings of fact and a written statement of its decision based upon the record of the hearing.

(f) A hearing examiner's or committee's finding of nonacademic misconduct shall be based on one of the following:

1. Clear and convincing evidence, when the sanction to be imposed is one of those listed in s. UWS 17.10 (I) (h) to (j).

2. A preponderance of the evidence, when the sanction to be imposed is one of those listed in s. UWS 17.10 (I) (a) to (g).

3. A preponderance of the evidence, regardless of the sanction to be imposed, in all cases of sexual harassment and sexual assault.

(g) The hearing examiner or committee may impose one or more of the disciplinary sanctions listed in s. UWS 17.10 (I) (a) to (g) that differs from the recommendation of the investigating officer. Sanctions under s. UWS 17.10 (I) (h) to (j) may not be imposed unless previously recommended by the investigating officer.

(h) The hearing shall be conducted by the hearing examiner or committee, and the university's case against the student shall be presented by the investigating officer or his or her designee.

(i) The decision of the hearing examiner or committee shall be prepared within 14 days of the hearing, and delivered to the student. The decision shall become final within 14 days of the date on the written decision, unless an appeal is taken under s. UWS 17.13.

(j) If a party fails to appear at a scheduled hearing and to proceed, the hearing examiner or committee may either dismiss the case or, based upon the information provided, find that the student committed the misconduct alleged.

(k) Disciplinary hearings are subject to the Wisconsin open meetings law and may be closed if the student whose case is being heard requests a closed hearing or if the hearing examiner or committee determines that it is necessary to hold a closed hearing, as permitted under the Wisconsin open meetings law. Deliberations of the committee shall be held in closed session, in accordance with s. 19.85, Stats. As such, proper notice and other applicable rules shall be followed.

UWS 17.13 Appeal to the chancellor.

(1) Where the sanction prescribed by the hearing examiner or committee is one of those listed in s. UWS 17.10 (I) (h) to (j), the student may appeal to the chief

administrative officer within 14 days of the date of the written decision to review the decision of the hearing examiner or committee, based upon the record. In such a case, the chief administrative officer has 30 days from receipt of the student's appeal to respond and shall sustain the decision of the nonacademic misconduct hearing examiner or committee unless the chief administrative officer finds any of the following:

- (a) The information in the record does not support the findings or decision of the hearing examiner or committee.
 - (b) Appropriate procedures were not followed by the nonacademic misconduct hearing examiner or committee and material prejudice to the student resulted.
 - (c) The decision was based on factors proscribed by state or federal law.
- (2) If the chancellor makes a finding under sub. (1), the chancellor may return the matter for consideration by a different hearing examiner or committee, or may invoke an appropriate remedy of his or her own.

UWS 17.14 Discretionary appeal to the board of regents.

Institutional decisions under ss. UWS 17.11 to 17.13 shall be final, except that the board of regents may, at its discretion, grant a review upon the record.

UWS 17.15 Settlement.

The procedures set forth in this chapter allow the university and a student to enter into a settlement agreement regarding the alleged misconduct, after proper notice has been given. Any such agreement and its terms shall be in writing and signed by the student and the investigating officer or student affairs officer. The case is concluded when a copy of the signed agreement is delivered to the student.

Timely Warning Notice Protocol

The Clery Act requires institutions to alert the campus community to certain crimes (criminal homicide, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, and arson) in a manner that is timely and will aid in the prevention of similar crimes. This includes crimes where the circumstances indicate that there may be a serious or continuing threat to students or employees. The decision to issue a timely warning must be decided on a case-by-case basis in light of all the facts surrounding a crime, including such factors as:

- The nature of the crime
- The continuing danger to the campus community
- The possible risk of compromising law enforcement efforts

A timely warning will be issued at UW-La Crosse when a threat level is determined and as soon as pertinent information is available. UW-La Crosse Police Services will distribute timely warning notices in consultation with the Student Life Office, University Communications, and the Chancellor's Office as appropriate. Notifications are generally written by the Chief of Police or a designee. Notifications may be done through email, fliers, and/or postings as appropriate to the situation. The reporter's/victim's identity will be withheld as confidential for timely warning purposes.

Emergency Evacuation Procedures and Policies

Emergency Response

University departments are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility. The University conducts emergency response exercises, such as tabletop exercises, field exercises, and tests of the emergency notification systems on campus. These include coordinating tests with the surrounding communities, county and state organizations. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution. UW-L Police Officers and supervisors have received training in Incident Command and Responding to Critical Incidents on Campus. The Incident Command System (ICS) is utilized when responding to incidents with other UW-L departments, as well as local public safety agencies to manage, mitigate, and recover

from critical incidents. General information about the emergency response and evacuation procedures for UW-L are publicized each year as part of the University's Clery Act compliance efforts, and is available on the UW-L Police websites, <http://www.uwlax.edu/police/emerg.htm> and http://www.uwlax.edu/grants/compliance/IACUC_Emergency_Preparedness_and_Contingency_Plan.pdf.

Notification to the Campus Community about an Imminent Threat

When the UW-L Police confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the campus community, University leadership will collaborate to determine the content of the message and will use some or all of the available systems to communicate the threat to the campus community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population.

UW-L Police and if possible in cooperation with University leadership will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of the first responders, compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

In the event of a serious incident that poses an immediate threat, the University has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an immediate threat. These methods of communication include City Watch, a system that provides email, voice mail and text message alerts to members of the UW-L community. Only UW-L students, faculty, and staff can register for City Watch, but students can sign up parents, other family members, or friends by designating more than one mobile device to their account.

UW-L community members are encouraged to notify UW-L Police of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and safety of students, faculty, staff, or visitors on campus. UW-L Police has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, UW-L Police has a responsibility to respond to such incidents to determine

if the situation does in fact, pose a threat to the community. If so, federal law requires that the institution notify the campus community or the appropriate segments of the community that may be affected by the situation.

Shelter-in-Place Procedures – What it Means to “Shelter-in-Place”

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to “shelter-in-place” means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

Basic “Shelter-in-Place” Guidance

If an incident occurs and the building you are in is not damaged, stay inside the building in an interior room until you are told it is safe to come out. If your building is damaged, take your personal belongings (purse, wallet, ID card, etc.) and follow the evacuation procedures for your building (close your door, proceed to the nearest exit, and use the stairs instead of the elevators). Once you have evacuated, rapidly seek shelter at the nearest University building. If police or fire department personnel are on the scene, follow their directions.

How You Will Know to “Shelter-in-Place”

A shelter-in-place notification may come from several sources, including UW-L-PD, Residence Hall Staff members, other University employees, LCPD/LCFD, or other authorities utilizing the University’s emergency communications tools.

How to “Shelter-in-Place”

No matter where you are, the basic steps of shelter-in-place will generally remain the same. Should the need ever arise, follow these steps, unless instructed otherwise by local emergency personnel:

The UW-L Campus website, www.UW-Lax.edu provides additional information and tips for individual emergency preparedness and the Emergency Response Procedures

can be downloaded from the website. These procedures provide information on how to prepare for and respond to the most likely emergency situations that may arise on campus.

1. If you are inside, stay where you are. Collect any emergency shelter-in-place supplies and a telephone to be used in case of emergency. If you are outdoors, proceed into the closest building quickly or follow instructions from emergency personnel on the scene.
2. Locate a room to shelter inside. It should be an interior room, above ground level, and without windows or with the least number of windows. If there is a large group of people inside a particular building, several rooms may be necessary.
3. Shut and lock all windows (tighter seal) and close exterior doors.
4. Turn off air conditioners, heaters, and fans.
5. Close vents to ventilation systems as you are able. (University staff will turn off the ventilation as quickly as possible.)
6. Make a list of the people with you and ask someone (House Staff, faculty, or other staff) to call the list in to UW-L-PD so they know where you are sheltering. If only students are present, designate one student to call in the list.
7. Turn on a radio or TV and listen for further instructions.
8. Make yourself comfortable.

Missing Student Notification Policy

In accordance with the Higher Education Opportunity Act, the University of Wisconsin-La Crosse has developed the following missing student notification policy for students who reside in on-campus housing.

POLICY: If any member of the University community has reason to believe that a student who resides in on-campus housing is missing, especially if suspicious or life-threatening circumstances are present, the University Police should be notified.

PROTOCOL: If a student is missing it should be reported to University Police so they can start an investigation into the status of the missing student. Once it is determined that the student is missing the custodial parent/legal guardian and/or designated confidential emergency contact will be contacted. This contact information is gathered

through the housing application process in which students have been asked to designate an emergency contact. A student's contact information may be accessed only by authorized campus officials and law enforcement as appropriate.

Alcohol Policies

The legal drinking age is 21 years or older and applies to everyone. Consumption of alcohol is restricted to individuals who are 21 years of age or older. Students who are 21 can have alcohol in their room or the room of another person who is 21 years old. Only one open container with alcohol is allowed to be open per individual who is 21 or older. Residence hall disciplinary action and/or state legal action will result when violations of alcohol policies/laws occur.

Possession of alcohol and/or containers meant to hold alcohol by students under 21 is not permitted. Barrels of beer, party balls, and wappituli parties are not allowed in residence halls and failure to comply with these policies is likely to result in removal from on-campus housing. University Police or the La Crosse City Police may be contacted in situations involving underage drinking or disruptive behavior.

There are resources on campus for alcohol and drug abuse at the Counseling and Testing Center as well as a Wellness Coordinator.

The Counseling and Testing Center provides the following services to students:

- Alcohol and other drug consultations
- Alcohol education and prevention
- Awake and Alive GET SMART
- Outreach to campus and community
- AODA assessments
- Individual counseling
- Referral services

The Wellness Resource Center provides the following services to students:

- Coordination of Brief Alcohol Screening and Intervention for College Students (BASICS)

- Freshman registration, classroom presentations, and general campus programming
- Strategic planning for AODA prevention efforts
- Brief Screening Intervention and Motivational Interviewing
- SBIRT (Screening, Brief Intervention, Referral to Treatment)

University of Wisconsin-La Crosse

2016 Fire Safety Report

Annual Fire Safety Report

If a fire occurs in a UW-L building, community members should immediately notify UW-L-PD at (608) 789-9000. UW-L-PD will initiate a response, as the department has a direct link to the La Crosse County Emergency Communications Center and can summon the La Crosse Fire Department quickly through this communication link. If a member of the UW-L community finds evidence of a fire that has been extinguished, and the person is not sure whether UW-L-PD has already responded, the community member should immediately notify UW-L-PD to investigate and document the incident.

For example, if a housekeeper finds evidence of a fire in a trashcan in the hallway of a residence hall, he/she should not touch the trashcan and should report the incident to UW-L-PD immediately and wait for an officer's response. The officer will document the incident prior to removing the trashcan. Fire alarms alert community members of potential hazards and community members are required to heed their warning and evacuate buildings immediately upon hearing a fire alarm in a facility. Use the nearest stairwell and/or exit to leave the building immediately. Do not use the elevator. Community members should familiarize themselves with the exits in each building.

The Fire Marshal or UW-L-PD officers can levy fines and penalties to individuals who fail to evacuate a building promptly – but a more important reason for evacuating is for safety reasons! When a fire alarm is activated, the elevators in many buildings will stop automatically. Occupants should use the stairs to evacuate the building. If you are caught in the elevator, push the emergency phone button. The emergency phones in elevators on campus have a direct link to the UW-L-PD dispatcher. UW-L-PD publishes this fire safety report as part of its annual Clery Act Compliance document, via this brochure, which contains information with respect to the fire safety practices and standards for UW-L. This report includes statistics concerning the number of fires, the cause of each fire, the number of injuries and deaths related to a fire, and the value of the property damage caused by a fire (see attached charts).

For more information the compliance document is available for review 24 hours a day on the UW-L-PD website at www.UW-Lax.edu/police/annualreport.htm and a physical copy may be obtained by making a request to the UW-L-PD (608) 789-9000.

Fire Protection Equipment/Systems

All University buildings are equipped with automatic fire detection and alarm systems that are constantly monitored by staff at UW-L-PD. Refer to the attached charts to review the Fire Safety Amenities in the UW-L Residential Facilities Chart for information about fire detection, notification, and suppression systems in each residential facility.

Plans for Future Improvements in Fire Safety

The University continues to maintain, assess and upgrade fire safety equipment as an ongoing process to ensure that all equipment meets safety standards. Future improvements will be made as needed as part of the ongoing assessment process.

Health and Safety Inspections

The Office Residence Life, the La Crosse Fire Department, and Office of Environmental Health and Safety are responsible for inspections. The inspections are primarily designed to find and eliminate safety violations. Students are required to read and comply with the safety procedures in the Residence Life Handbook. The inspections include, but are not limited to, a visual examination of electrical cords, sprinkler heads, smoke detectors, fire extinguishers and other life safety systems. In addition, rooms will be examined for the presence of prohibited items (e.g., sources of open flames, such as candles; non-surge protected extension cords; portable cooking appliances in non-kitchen areas; etc.) or prohibited activity (e.g., smoking in the room; tampering with life safety equipment; possession of pets; etc.).

- Candles
- Non-surge protected extension cords
- Halogen lamps (including all Halogen desk and floor lamps)
- Incense
- Lanterns/Oil lamps
- Flammable liquids
- Burners and other objects with an open flame in non-kitchen areas
- Hot plates, rice cookers, crock pots, waffle irons, and popcorn poppers in non-kitchen areas

- Toasters/Toaster ovens in non-kitchen areas
- Sandwich makers/grills in non-kitchen areas
- Space heaters
- Live holiday decorations (holiday trees, garlands, etc.)
- Fireworks and explosives

Fire Safety Tips

Buildings are equipped with a variety of features that are designed to detect, stop and/or suppress the spread of a fire. A door can be the first line of defense against the spread of smoke or fire from one area to another. Some doors, such as fire doors in corridors or stairwells of residence halls, are designed to stand up to fire longer than those of an individual room. It is important that these doors are CLOSED for them to work. Additionally, if a door has a device that automatically closes the door, it should NOT be propped open. Sprinklers are 98% effective in preventing the spread of fire when operating properly. DO NOT obstruct the sprinkler heads with materials like clothing hanging from the piping. Smoke detectors cannot do their job if they are disabled or covered by the occupant, which is a violation of University Policy. Almost three-fourths of all fires that are caused by smoking material are the result of a cigarette being abandoned or disposed of carelessly. Smoking is NOT PERMITTED in any UW-L building. A daily fire log is available for review 24 hours a day on the UW-L-PD website at www.UW-Lax.edu/police/firelog.htm or at the UW-L Police Department Office from 8 a.m. 5 p.m. Monday through Friday, excluding holidays. The information in the fire log typically includes information about fires that occur in residential facilities, including the date, time, general location, and the nature of the fire.

Procedures for Students and Employees in the Event of a Fire

In the event of a fire emergency, find nearest pull station, and sound the central alarm. Move to a safe distance, contact UW-L-PD directly at (608) 789-9999, remain on scene until responding units arrive. Shut all doors and windows in the vicinity of the fire. If the fire is small, use fire extinguishers to put it out. Exit by nearest safe stairway. Do not use the elevators. Do not run.

- If there is smoke in the room, keep low to the floor.
- Try to exit the room. Feel the doorknob. If it is hot, do not open the door.
- If the doorknob is not hot, brace yourself against the door and crack it open. If there is heat or heavy smoke, close the door and stay in your room.
- Don't panic.
- Seal up the cracks under the door with sheets, or towels. If there is smoke in the room, crack the windows at the bottom and at the top, if possible to allow for ventilation. Hang a sheet or towel from the window to announce that you are in your room. Call the UW-L Police Department at (608) 789-9999. Be sure to give your room number and your location.
- If you can exit the room, put on shoes (and if necessary a coat). If smoke is evident, get a wet towel to cover your face.
- Close all doors.
- If while exiting the building you are blocked by fire, go to the safest fire free area, or stairwell. If a phone is available call UW-L-PD, or find a window and signal that you are still in the building.

Residence Hall Fire Safety

Fire Safety

Whenever a fire alarm is activated, **in all cases the building should be evacuated.** Residents are required to evacuate in accordance to UW system Chapter 18. Fire evacuation procedures should be posted on the interior of each student room door. RAs should inform residents of these evacuation procedures during their first floor meeting and refer residents to these guidelines in the Living On Handbook. When a fire alarm is activated, hall staff will call University Police (UP) and notify them of the

status of the situation (alarm test; system activated as a result of burnt popcorn; there is a fire; etc.).

While state guidelines are vague, UW-L residence halls will continue to conduct fire system tests each month. The hall director will coordinate the system test and the following will be conducted during each test:

- A. Call University Police and inform them that you will be conducting a fire alarm test
- B. After the alarm is activated (HD pulls the alarm), walk the building to make sure the strobes are working, the magnetic doors are functioning properly (closed), check fire extinguishers to assure that they are charge, etc.
- C. Reset the system
- D. Call UP and indicate the test is complete
- E. Complete the fire log sheet in your hall

Whenever possible, these tests should occur when the hall is not occupied (during break periods) or during the mid afternoon when the halls are occupied.

One system test should occur in the evening (6-9 pm) each semester, generally in October and February. The hall director will coordinate with the University Police as to the date/time of these tests. The purpose of these evening tests is for hall staff and University Police to assess evacuation in accordance with our procedures.

We conduct a “smoke house” training and each staff member watches the Drake Hall fire video. Student staff are also asked to show this to the residents on the floor.

All eleven residence halls have the following:

As renovations are completed on the remaining eight traditional residence halls, a full sprinkler system will be installed in each facility.

Responsibilities of the University Community

Members of the University community must assume responsibility for their own personal safety and the security of their personal property. The following precautions provide guidance.

- Report all suspicious activity to the UW-L-PD immediately.
- Never take personal safety for granted.
- Try to avoid walking alone at night. Coordinate with friends, hallmates, and classmates to ensure safe travel.
- Limit your alcohol consumption, and leave social functions that get too loud, too crowded, or that have too many people drinking excessively. Remember to call UW-L-PD or LCPD for help at the first sign of trouble.
- Carry only small amounts of cash.
- Never leave valuables (wallets, purses, laptops, iPads, books, phones, etc.) unattended.
- Carry your keys at all times and do not lend them to anyone.
- Lock up bicycles and motorcycles. Lock car doors and close windows when leaving your car.
- Always lock the door to your residence hall room, whether or not you are there. Be certain that your door is locked when you go to sleep, and keep windows closed and locked when you are not at home.
- Do not leave valuables in your car, especially if they can be easily noticed.
- Engrave serial numbers or owner's recognized numbers, such as a driver's license number, on items of value.
- Inventory your personal property and insure it appropriately with personal insurance coverage.
