The Advisement Report (AR) in WINGS provides students with access to course and non-course degree requirement information for individual students. This report compares academic records to program/university degree requirements/policies and summarizes academic progress.

HOW TO ACCESS THE ADVISEMENT REPORT

In the Academics section of your Student Center, select the My Academics link.

The My Academics tab will be selected. Next to Academic Requirements, click View my advisement report.
NAVIGATING THE ADVISEMENT REPORT (AR)

The AR is organized into collapsible sections. Sections contain collapsible sub-headings that categorize requirements. Requirements specify what a student needs to complete in order to satisfy degree requirements.

By default, expanded sections contain components with unsatisfied requirements; collapsed sections reflect completion of requirements for that section.

To individually expand or collapse a section, click the green arrow next to it. You can also use the Collapse All and Expand All buttons at the top of the report. All green arrow icons toggle between collapse and expand.

The AR sections are organized by current course enrollment, university requirements, general education requirements, college/school core, courses not allocated, major, and minors, honors/certificates.
