SA 0910-033: Resolution Granting Organizational Status to Biochemistry and Molecular Sciences Club

DATE: December 7, 2009
AUTHOR: JennieLynn Hastings
SPONSOR: Students Orgs Committee

WHEREAS; there has been interest expressed in forming a Biochemistry and Molecular Sciences Club; and,

WHEREAS; the Biochemistry and Molecular Sciences Club has submitted all organizational forms for review and has complied with all form requests by the Students Organizational Committee; and,

WHEREAS; the Biochemistry and Molecular Sciences Club has published a working constitution, by laws, and process for membership as required for approval; and,

WHEREAS; the Biochemistry and Molecular Sciences Club has submitted a list of members, officers, and contact information to the Students Activities and Organizations office; and,

WHEREAS; the Student Organizations Committee has approved organizational status for the Biochemistry and Molecular Sciences Club; and,

WHEREAS; the University of Wisconsin-La Crosse Student Association supports and encourages increased organizational involvement in the student community; and,

THEREFORE, BE IT RESOLVED; that the University of Wisconsin-La Crosse Student Association grants organizational status to the Biochemistry and Molecular Sciences Club, granting all of the privileges allowed and requirements that are required of Student Organizations at the University of Wisconsin-La Crosse.
