McNair Scholars Program at UW-La Crosse
Authorization for Release of Information

The McNair Scholars program at UW-La Crosse is funded by the United States Department of Education, which requires that we collect and annually report certain information about participants' academic performance and achievement. The reporting period begins when participants apply to the program, and ends ten years after participants are awarded baccalaureate degrees.

Future funding of the program is based on our ability to prove that our graduates are successful in graduate school and receive adequate financial aid.

Whenever possible, we will collect the data we need directly from our students. In some cases, it is necessary to contact schools or other agencies directly to obtain current accurate information.

The McNair Scholars program staff may request the following information by phone, fax, e-mail, letter, or in person:

- copies of my undergraduate grades and transcripts, including class schedules and degrees earned at UW-L and other institutions;
- copies of official or unofficial results of standardized tests (e.g., GRE, LSAT, MCAT, etc.)
- copies of my Student Aid Report (SAR) and Free Application for Federal Student Aid (FAFSA);
- copies of my financial aid application & verification, including signed tax returns and W-2 statements and/or IRS tax transcripts;
- copies of financial aid award letters, and any other financial aid information on file with my institution;
- copies of my disability–related accommodations or diagnoses (if applicable);
- information concerning the status of my graduate school and program admissions application(s);
- information verifying my enrollment in and/or graduation from a postsecondary institution; and
- any other academic records that verify my admission to, attendance or status at, and/or separation from a postsecondary institution.

I authorize the release of academic and financial aid information for the student listed—including, but not limited to, the information listed above—to the McNair Scholars Program at UW-La Crosse for fourteen (14) calendar years from the date of my signature. I also authorize the McNair Scholars program staff to release this information to third parties for reporting purposes, when necessary. My signature below also gives the McNair Scholars program to use my photographs, videos, and testimonials to promote the program.
