REGARDING YOUR LETTER OF ADMISSION

Your admission has been granted based on your past academic record and any courses in progress this year. Final admission is contingent upon:

a) Receipt of an official transcript that includes fall semester grades no later than January 30, 2016.

b) Receipt of a final official transcript that includes grades from the spring 2016 semester on file in the Admissions Office by July 1.

c) If you are also taking summer session courses elsewhere, we must receive an official transcript with spring grades by July 1 and we must receive a final official transcript with summer session grades by August 28.

d) If you have an established grade point average, it is our expectation that you will maintain this grade point average. If you are in your first semester of courses, it is our expectation that you will earn at least a 2.5 grade point average.

e) NOTE: Final transcripts will be reviewed to check grades. Poor academic performance may result in your admission being rescinded.

It is important for you to know that certain undergraduate programs are highly selective and applicants must meet additional requirements for entrance into a program. Your letter of admission does not guarantee admission into any program of study.
