**Note:**
Students transferring from one of the UW Colleges who have earned either an Associate of Arts or Associate of Sciences degree are exempt from the UW-La Crosse General Education Program requirements. Students accepted under this two-year transfer policy are required to meet all core, professional, ethnic studies, major and minor requirements. The university reserves the right to review the student’s associate degree and require additional General Education courses. The maximum number of credits transferable from a two-year institution is 72.

Admission to the institution does not assure admission to specific degree programs. UW College students must meet the same criteria (i.e., grade point average, course requirements, etc.) for admission to specific majors or programs as continuing UW-L students.

All of the following curriculum and more can be found on the Transfer Information Systems (TIS). The TIS web address is: [www.uwsa.edu/tis](http://www.uwsa.edu/tis).
