TIPS TO BEING A COMPETITIVE APPLICANT

Rigorous Senior Schedule: Students need to have rigor in their senior schedule. Courses in the core curriculum of English, math, science and social science are extremely important.
Submit Official Test Scores right away: UW-La Crosse requires official test scores and we encourage students to submit them to us at the time of taking the test. We will always use the highest composite score submitted.
Proofread Personal Statement: Personal statements should be well written, organized, grammatically correct, and proofed! No need to write a novel, a page in length is all that is necessary.
