Greetings from UW-La Crosse!

We are pleased to offer you admission as a new freshman to the University of Wisconsin-La Crosse. UW-L Policy dictates the following:

All new freshmen planning to enroll for Fall 2014 are required to submit results of the University of Wisconsin Placement Tests prior to registration for classes.

► Math Placement Test is required for all students.
► English Placement Test is required for all students.
► Foreign Language Placement Test is required to take Spanish language courses, and strongly recommended to take German or French courses.

Placement test scores are part of your student record and used by your advisor to plan your course schedule. Students who have not taken the placement tests may not be able to enroll in math, English, or some science courses. When you begin classes at UW-L a $32.00 placement test fee will be charged to your fall billing statement.

NOTE: If you have earned Youth Options, AP, IB, CLEP or college transfer credit during your junior year or prior, it may satisfy the English, math, or foreign language requirements or serve as pre-requisites. Please review the UW-L CREDIT BY EXAM POLICY at http://www2.uwlax.edu/Admissions/ap/ib/clep-credit/. If you have questions after reviewing the policy, contact our office. Students currently enrolled in any of the above should take the placement tests as grades/test scores may not be available prior to Freshman Registration.
