I. Introduction

These Bylaws and subsequent amendments function in the context of the Wisconsin statutes, chapter 36.09 (4m) and the UW System academic staff policies and procedures:

The academic staff of each institution, subject to the responsibilities and powers of the board, the president, the chancellor and the faculty shall be active participants in the immediate governance of and policy development for such institution. As such, the academic staff shall have primary responsibility for the formation and review of policies and procedures of concern to the academic staff, including personnel matters. The academic staff of each institution shall have the right to determine their own organizational structure and to select their representatives to participate in institutional governance.

Academic staff, represented by the Academic Staff Council at UW-La Crosse, is defined as general academic support professional staff, and does not include faculty, classified staff, limited term employees, employees-in-training, and student assistants.

Instructional* academic staff and academic librarians are represented by the Faculty Senate for university governance purposes. (Articles of Faculty Organization, http://www.uwlax.edu/FacultySenate/bylaws.html)

- Academic staff whose assignment prior to March 10, 2005 included classifications as both instructional* academic staff and academic staff shall make a one-time choice between the Faculty Senate or the Academic Staff Council to represent them for governance purposes.

- Academic staff with a new contract that includes classification as both instructional academic staff and academic staff shall, at the time of their appointment, make a one-time choice between the Faculty Senate or the Academic Staff Council to represent them for governance purposes.

- All references in this document to instructional* academic staff refer to those individuals who made a one-time choice to be represented by the academic staff council as stated above.

Amendments to the UW-L Academic Staff Council Bylaws may be adopted at any regular Academic Staff Council meeting by a two-thirds vote, of members present, provided that any proposed amendment has been read at the preceding regular council meeting.
