**OCW Scholarship Awarded**

Sharon L. Heim is the 1992 recipient of the Jean L. Foss & Noreen A. Smith OCW Scholarship. The scholarship was awarded at the Honors Reception on April 27, 1992. The Scholarship Committee (Louise Larson Janke, Sandy Krajewski, Cris Kunze, Moni McCarty, Barbara Rusterholz, and Sandy Sechrest) had a large group of excellent non-traditional students from which to pick.

In other matters, the committee held a book and bake sale on March 25, 1992 to raise money for the scholarship fund. Thanks to everyone who contributed to the sale or bought items.

**OCW Accomplishments This Year**

This year has been a very productive year for OCW. Our membership drive resulted in another record -- over 110 members, up 25%! Five of our nominees for the Y Tribute to Outstanding women were honored. We worked with the Chancellor to establish a Women's Advisory Council. The council is underway, so please give any ideas or suggestions to any of the members listed on the next page. The Steering Committee worked toward setting goals and priorities for OCW to pursue in the coming year. We also revised the By-laws so that there would be greater continuity from year to year and to insure an equal among all classifications of women on campus.

Newly elected members to the Steering Committee are:

Faculty:
Cecilia Manrique and Sandra Flake

Academic Staff:
Ruth Kurinsky and Mary Rivard

Classified:
Donna Kostecki and Barbara Pedretti

Golden Key National Honor Society

Chancellor Judith Kuipers was the keynote speaker for the chartering ceremonies of the Golden Key National Honor Society, a newly-established honor society on campus which recognizes the academic achievement of the top 15% of juniors and seniors at the University of Wisconsin-LaCrosse. More than 50 new members were recognized and initiated on Sunday, April 26, 1992 at the Port O'Call Lounge, Cartwright Center, Gunning Addition with parents, relatives and friends in attendance. The organization's membership drive brought its charter member roster to 115 and the honor society is eager to get involved in campus and community activities starting the fall semester. Advisors to the Golden Key National Honor Society are Ms. Christine Bakkum, Office of the Dean of Arts, Letters, and Sciences and Dr. Cecilia Manrique, Political Science.

Women's Advisory Council

Chancellor Kuipers has appointed a Women's Advisory Council that will begin work with a retreat on May 13th. Please contact any of the following members if you have ideas, suggestions, or concerns you feel the Council should address. Council membership includes academic staff Ann Korschgen, Carol Bassuener, and Caroline Norelius; classified includes Carol Calkins, Donna Kostecki, and Marilyn Wigdahl; and faculty includes Judith Green, Jane Greenewald, and Judy Pace. Three students will also serve on the Council. Other individuals appointed are Jennifer Wilson, Affirmative Action, the OCW Chair, Chancellor and Vice Chancellor.

Equity Study

As a continuation of the climate study done by OCW two years ago, Chancellor Richards appointed an equity study group which circulated surveys last spring. The members of the committee have been working through the year to evaluate the surveys and make recommendations. This information will be forwarded to the Chancellor this summer and to the campus in general in the fall.

The 1992-93 academic year looks to be another good year for women on campus. With strong leadership from the top and women taking an involved position on campus, UW-LaCrosse will weather the financial storms ahead and we will maintain a quality University.

Year-End Wrap-Up

Last year in my year-end statement on membership, I predicted a woman chancellor would come to UW-L and make 1991-92 an exciting year. This academic year has been a great year for women at UW-L. Not only has Chancellor Kuipers brought vibrant leadership to the campus, but she has brought UW-L to the community.
