SPRING 1993 OCW SYMPOSIUM SERIES

UW-Parkside's Chancellor Sheila Kaplan addressed "Campus Climate for Women" during the opening session of the 1993 two-part Symposium series which was held on Tuesday, April 6th. She introduced and defined campus climate and discussed how it is has been measured and changed; whether it is different for women than for men; and how campuses could provide the support women do need.

The Symposium's second session featured Ceil Pillsbury business professor who recently won a tenure dispute at UW-Milwaukee. Her presentation pertained to "Climate issues affecting women in the UW System". Her talk included a discussion of women as change agents.

PROGRAMMING UPDATES

On February 20th many OCW members helped to celebrate NATIONAL GIRLS AND WOMEN IN SPORTS by attending the UW-La Crosse women's basketball game. Prior to the game, there was a reception at the Eagles Nest for OCW women to gather before heading over to Mitchell Hall. Many thanks to Bridget Olson for providing the snacks! The members were then recognized at half-time as a way for honoring women. A great time was had by all who attended the celebration!

On March 9th the "ISSUES AND ANSWERS' BROWN BAG LUNCH was a success. A flyer was sent to all women a week before this event asking people to submit their concerns about issues on campus. While eating lunch, those in attendance discussed various issues. It was a very beneficial session, and the response/feedback has prompted the scheduling of another date. So mark your calendars for Thursday, April 29th for ISSUES AND ANSWERS II to be held in the Ward Room from noon - 1 p.m. Bring your lunch and lots of things to discuss.

Twenty-six people attended the April 8th session of "BUILDING AN INVESTMENT PORTFOLIO" BROWN BAG LUNCH. Ann Miyamoto, who is a financial consultant with Piper Jaffray, presented this workshop. Future sessions with Ann may be planned since there seemed to be a high interest in this topic area.
